

# **BEST REALTOR SOUTHEASTERN MI**

Growing up I lived in Monroe my whole life. I attended Monroe High School and Monroe County Community College. As of 2006, I became licensed as a realtor. Because of the strong love for what I do, I started reaching out into Wayne County and became involved with RichRealty. I now work all of southeastern Michigan. \*\*\*I am a FULL TIME AGENT\*\*\* that devotes my entire days to being the very best realtor for my clients.

RichRealty is an independent brokerage firm, established in 2006. We are located at 281 N Main St, Plymouth MI 48170. Our brokerage firm offers greater flexibility than many others do.

## **THE OLD WAY VS THE NEW WAY**

The competition teaches that reducing from the 6 % commission is a sign of weakness in the ability to negotiate - what they don't tell you is that the final decision is the seller's decision.

The competition will tell you they deserve the full 6% or even 7% commission. After many years of experience and working with different brokers... I can say Bull!!!

I absolutely love what I do and can't wait to meet you and start working with you on your real estate needs. Let's make a deal!
